Formula/Criteria for Calculating Index for Merit List for Admission for the Academic Session 2024-2025

For the admission in Honours with or without Research Courses

For the purpose of determining eligibility for admission to the Honours Course, aggregate marks obtained at pre-qualifying examination shall be calculated by adding the marks in top- four subjects in order of marks secured by a candidate. However, the marks obtained in that subject or related subject will be added to total of best of four marks to form order of merit for Honours with or without Research Courses students (i.e., **Best of Four Marks + Major Subject Marks**)

** However, marks in compulsory Environmental Education and Environmental Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

For the admission in Three-Year B.Com and B.A. / B.Sc Multidisciplinary Courses

The **Total of Best of Four Marks** is the only criterion for students in Multidisciplinary Courses (B.A /B.Sc /B.Com).

** However, marks in compulsory Environmental Education and Environmental Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.
